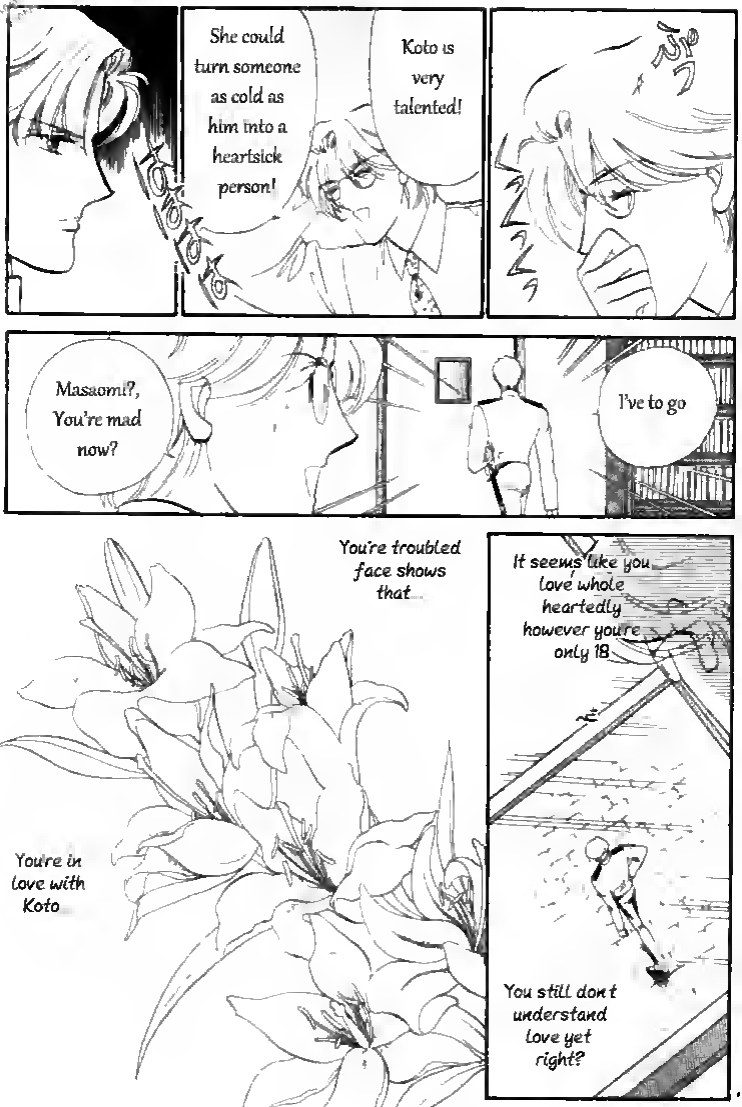
Brother Ryuichi
Wow my brother looking for me! ,
I wish you could teach me about girls
So what's up?
Umm..
I'm not talking about them.
If it's Sakura and Kaori then I'm not so sure.
I don't understand anything about Koto.

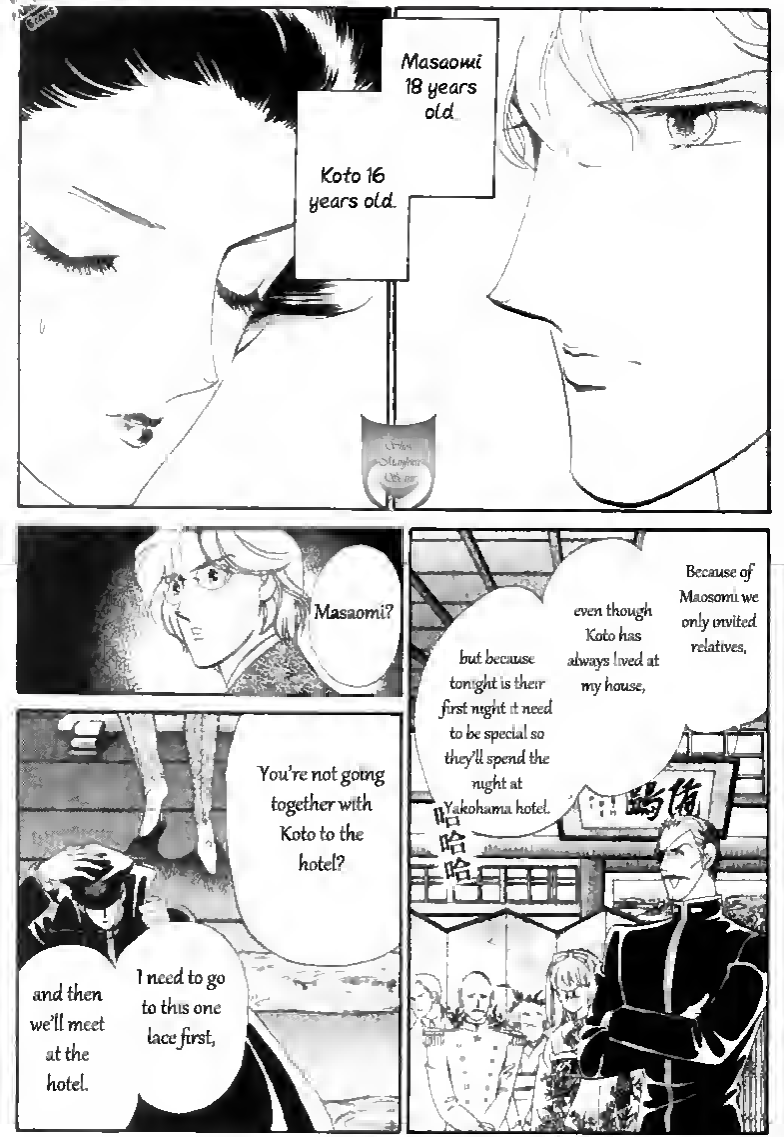
You know about Sazit?
Yes, and they also kissed too.
Kiss?
I know it was a goodbye kiss, so I've closed one eye and let it slide.
Our family's tradition is that she has to live here, but I don't want to have her before the wedding
I also know that.. She hasn't forgotten about that British man yet.
We're currently living in the Kiddoin family as fiancés.
You're at that stage already? You're going so fast.
A... You're just exaggerating basically is...

A good bye kiss?
That's a pity...
I'M VERY PATHETIC RIGHT?
I THOUGHT SHE'D BE VERY SAD SO I CAME TO COMFORT HER
BUT SHE WAS VERY STRONG AND SHE SAID WANTED TO OPEN AN EASTERN CLOTHES STORE.
This isn't like you?
I DIDN'T PAY ATTENTION TO ANYTHING ELSE!
BECAUSE OF KOTO
I ALWAYS THINK ABOUT HER!
What?



She could turn someone as cold as him into a heartsick person!
Koto is very talented!
Masaomi?, You're mad now?
I've to go
You're troubled face shows that...
It seems like you love whole heartedly however you're only 18
You're in love with Koto
You still don't understand love yet right?

Year Showa day 11. Not long after 2/26 the two held their wedding
Koto always wished to wear her handmade dress.



Masaomi 18 years old.
Koto 16 years old.
Masaomi?
You're not going together with Koto to the hotel?
I need to go to this one lace first,
and then we'll meet at the hotel.
Because of Maosomi we only invited relatives,
even though Koto has always lived at my house,
but because tonight is their first night it need to be special so they'll spend the night at Yokohama hotel.
哈哈哈

Are you going to hit on another girl before the first night?
I need to go to the doctor.
Ahh, a doctor,
that's right you're married now

At that time I didn't imagine things will turn out like this
Masaomi ...
You don't look too well..
Did you catch a cold? Do you want to take a shower?

!
DON'T DO THIS!
MASAOMI DON'T!

So cold..
Masaomi?
I'll be fine
I'm just lanemic,
I'LL GO AND FIND A DOCTOR IN THIS HOTEL.
Koto...
This voice....

Sazit!
however I believed I still have to move on.
I've cried a lot,
I didn't hear any news about you so I thought you passed away.
I'm really happy that I finally get to see you again.
Now that you've seen me are you happy?

I've come to get Koto
I owe you,
but,
I need her to go with me
What are you doing with my wife?
I can't believe you are not dead yet.
Why did you come back you foreigner?

STOP MASAOMI!
哇啊

The Kidouin young master had a duel with an foreigner because of his new wife!
On the 17 March in the Friendly party of England
They've announce a DUEL
WHAT'S THIS NOW?
Father!
Could you two please leave a little bit?
Aren't the two of them are married now?

Go and stop Masao mr right now!
He doesn't listen to what I say anymore!
He's planning to throw his future away
having a duel with a guy name Aster because of Koto.
Day. 3/17
at the friendly party of England
He's to arrest Aster as a traitor
and turn him in to the British.

Sazit!
He can't lose!
Sazit don't lose!
507
There are a lot of soldiers here waiting to capture you!

Masaomi...
I will not let them look down on me!
Your face...
Even though this sword isn't better than dad's but I like it's still very good.
Is it from the duel with Sazit?
Don't tell me... You want to duel again...

you'll give Koto to him?
They say that if Sazit comes then
what's going on?
Masaomi
You can't bring this into the part.
Let me take this.
He'll come,
when the time come he'll be arrested as a spy.
Koto will go crazy
after seeing this that.

Is it because of your heath,
now you're trying to destroy your life?
you...
Falls
Ma... Ma. Sa omi!
I never want those two to receive happiness
That applies to Koto too.
I can never forgive him.
You want to get revenge?

Click
Brother Ryuichi,
You only have to stay here
HE CAME!
HE REALLY DID COME!
Sazit came to get Kidoom's wife...

Sazit
Koto we'll go together
Stupid, you've come to our net.
Prepare to die!

I just want to be with you.
Because I miss you.
Dummy
This is the valse song that we danced to, just like the first time we met.
Sazit, why did you come here?
There's a ship at Yokohama pot that's waiting for us.
We have to get onto the boat first then the ship,
after that we'll flee to Shanghai, in china.
Shanghai!

Lets go to Shanghai ok?
Just the two of us.
They're my people, lets go Koto
Everyone is wearing white scarf and uniform so we can't tell the difference
Also Mr Aster isn't here yet
What happened?
There's so many Indians
rushing

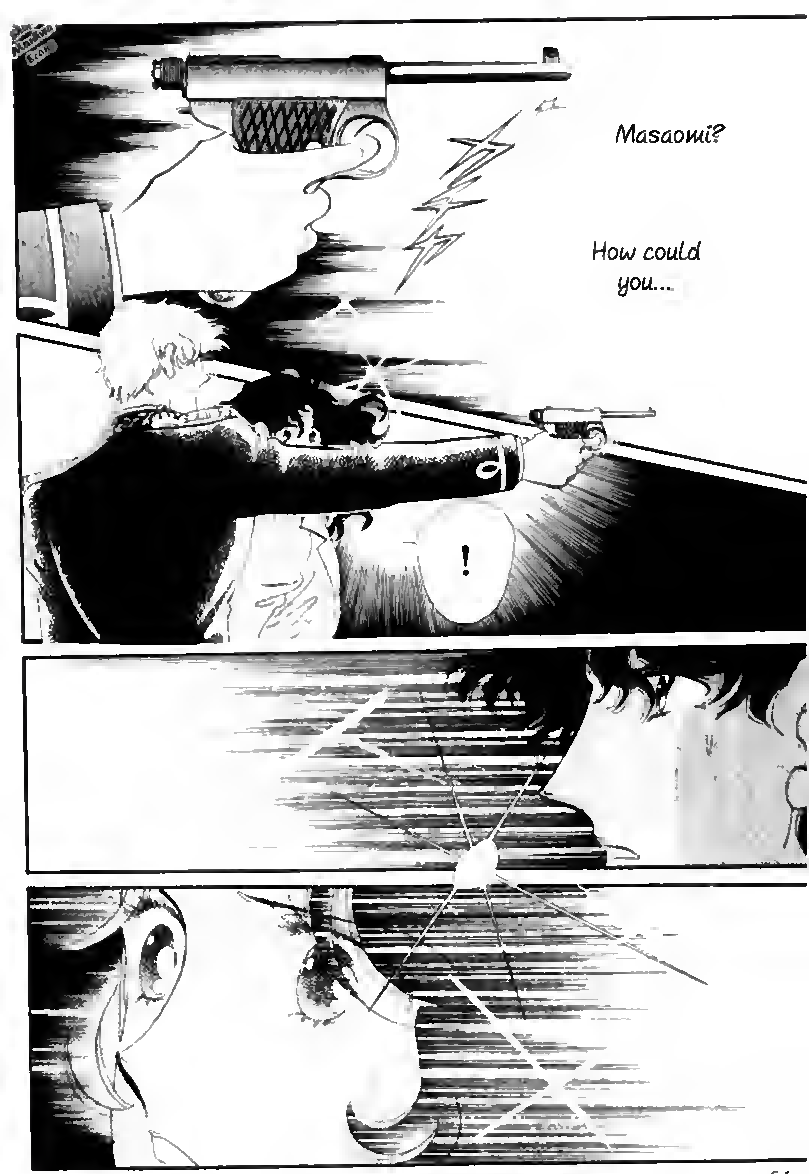
Both of your dreams will end here.
Koto come here.
I'VE FOUND THEM!

I will not let you have Koto
Aster, just go first!

Hurry up and leave!
If I have to give her to you then I wouldn't mind pulling the trigger.
Do not move! I'll shoot for real!

Sazit just leave!
I've always wished to wear a white dress
and dance to the valse
But reality is always different,
thank you , and farewell Sazit
No, don't Koto,
our dream will come true,
I've always looked forward to it.

In India,
my country where everyone is equal
and all of our dreams will come true
You'll gain all your freedom
and we'll live happily together
Kidoom won't shoot you,
because
HE LOVES YOU!



Masaomi?
How could you...
!

SHOOT ME FIRST, JUST DO IT!
When were little I was always in love with you, but you were always cold towards me...
If I could die by your hands, then I'll be very happy...
JUST SHOOT ME!

Just be the girl who always attract everyone
That's the girl I fell for
Farewell my little sister
Masaomi
I really
Love you.

The truth
I love you a lot

Sazit ...
What?
You and Kidooin have always liked each other, but you guys never express it out.
I really like your smile, and feel very blessed.
Koto...
Hugging you makes me feel very safe.
Maybe I am the third person, is that ok?

Let's get married
I agree Sazit.

There used to be some at Koto's house.
It's the white magnolia.
just like a girl who wears a white dress while dancing around.
You let Koto go with Sazit.
Is it ok?
Silent

The doctor says that my body can't last any longer
I've always thought that the person Koto needed was you, so
If I did have a future...
Then I would never have let her go.
Masumi

Spring in Showa year 11
Just because of what happened didn't cut our ties with Koto
Because the World War will wash away everyones fate

I'll check it out right now
